With Armour is a young, cutting-edge brand that specializes in tactical outdoor knives. The team behind **With Armour** has been producing knives and tools for leading brands for more than 15 years. **We** therefore know very well what our customers need.

Our mission is to provide you with the best products that you can always and everywhere rely on for your outdoor experiences and adventures: faithful and reliable companions in all situations!

Our passion is to produce first-class products at the best value for money. **All** our products are made of modern and high quality materials.

Our product managers and designers work very hard to create tools that give you the feeling of holding the perfect tool in your hands in every situation - always focused on finding the best solution for your individual outdoor activities.

Our knowledge and experience, the modern symbiosis of design and function, and an excellent quality offer users of **With Armour** knives always a unique product experience.

Satisfaction is our drive, passion is our soul.

With Armour - Knives and Tools
